 MV-CON-REG-0012: Indicative Extent of Marine Licence 2

Glossary

Term	Meaning
Development Consent Order (DCO)	An order made under the Planning Act 2008, as amended, granting development consent.
MHPGC Project Preliminary Environmental Impact Report (PEIR)	A report that provides preliminary environmental information in accordance with the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. This is information that enables consultees to understand the likely significant environmental effects of a project and which helps to inform consultation responses.
Morven Hawthorn Pit Grid Connection Project	The MHPGC Project is comprised of the offshore export cables in Scottish and English waters from the Morven North or the Morven South offshore substation platform(s) (OSP), landfall, onshore export cables, the onshore land substation (LSS) and AC connection cables. Also referred to in this report as the MHPGC Project, for ease of reading.

Acronyms

Acronym	Definition
DCO	Development Consent Order
PEIR	Preliminary Environmental Information Report
UXO	Unexploded ordnance

1 Overview

- 1.1.1.1 The Indicative Marine Licence Extents illustrates the licensable areas for the Morven Hawthorn Pit Grid Connection Project (the MHPGC Project), in Scottish offshore waters to be submitted to the Scottish Ministers, and English offshore and inshore waters to constitute the extent of the deemed Marine Licence as part of the application for development consent as described in **Volume 1, Chapter 2: Project Description, of the PEIR**.
- 1.1.1.2 The Indicative Marine Licence Extents should be read in conjunction with **Volume 1, Chapter 2: Project Description, of the PEIR**.
- 1.1.1.3 The extent of different work areas in English waters for the MHPGC Project is illustrated in Draft Works Plans (Onshore and Offshore) and should be read in conjunction with the **Works Descriptions contained in Schedule 1 of draft Development Consent Order (DCO), prepared to accompany the PEIR**.
